Spring, 2009

*You pay for the cart ...*  
**We'll pay for your golf!**

Perry's Ocean Edge Resort announces an amazing offer for our guests who enjoy a good round of golf. Just stay two nights at Perry's and qualify for two free rounds of golf at Turnbull Bay Golf Club, one of the area's favorite golf courses. Turnbull Bay Golf Club is considered an environmental masterpiece by writers and residents. It is nestled between a 2800

acre preserve and the magnificent Turnbull Bay in New Smyrna Beach. Players love the course. It features native plants and grasses that preserve the look of the wooded and wetlands. Cord and pampas grass, wild azaleas, palmettos and palms line the fairways. Giant oaks guard the greens and towering shade trees provide both a relief and challenge to golfers.

As for Perry's, the oceanfront resort is one of the best-loved family resorts in Daytona Beach.

It offers loads of creature comforts and exceptional value. Golf

getaway packages start at \$123 for two nights, two persons. We pay for your golf, you just pay for your cart. Call for details. And if you like variety in your golf vacation, be sure to ask about discounts on more than a dozen other challenging courses in the area. Each offers a challenging layout and each offers Perry's guests great discounts. And these great golf deals are also available for guests at our sister properties, Perry's White Caps Cottages and El Caribe Resort & Conference Center.

*21st century comfort, 20th century prices*  
**Perry's offers repeat of good old days**

With the constant pounding of bad news, wouldn't you like to spend a little time in the good old days? Perry's is making it easy to do just that. Come spend three or more nights at Perry's and you'll enjoy a bundle of discounts. Add to this the spectacular springtime weather and you'll find yourself refreshed, relaxed and recharged. For more information on early springtime packages including our popular Perrycation restaurant package and our all new Perrycation attraction package, just call us at 800-447-0002 or visit [perrysoceanedge.com](http://perrysoceanedge.com).

**Springtime values are blooming at Perry's!**

Springtime has always been a great time for Florida's weather and Perry's vacation values. Not only that, but we've introduced a whole new Perrycation package. Now you can choose from Perrycation packages that offer either \$12 discount tickets at our favorite restaurants, or the new package offering \$12 discount tickets at our favorite attractions. It's a sweet deal either way. So, if you're headed to Daytona Beach for a little springtime getaway, stay at Perry's and save a bundle. For more info, call or visit [perrysoceanedge.com](http://perrysoceanedge.com).

# Ocean Center Complex Doubles in Size

It's on the doorstep of the Atlantic Ocean. It's in the heart of the "new" Daytona Beach. Ocean Center, the area's meeting, convention and sports complex, has completed a \$76 million expansion that has doubled its size.

It is now the 5th largest complex of its type in Florida and is prepared to host groups as small as 12 or as large as 12,000.

In addition to hosting many meetings and conventions, Ocean Center hosts concerts, shows, exhibitions and events of all sizes. Get the whole story at [oceancenter.com](http://oceancenter.com).

# Perry's welcomes guests to Bike Week 2009

Bike Week is almost here and rooms are filling up fast. Bikers and motorcycle enthusiasts love Perry's for its spacious guestrooms, magnificent views, complimentary homemade donuts and freshly brewed coffee, Tiki Bill's Tiki Bar and his new breakfast and lunch café, and much

more. Perry's still offers free motorcycle trailer parking and attended motorcycle parking. There are bike wash areas and we even provide soft-wipe bike polishing cloths for your convenience. It all happens February 27 through March 8, so time's a-wastin'. Make your reservations today.

# El Caribe Resort & Conference Center is perfect for small groups or for pleasure

Perry's Ocean Edge Resort has a sister property: El Caribe Resort & Conference Center just to the north of Perry's. El Caribe offers comfortable and affordable guestrooms, great meeting rooms, oceanfront event areas and everything a small meeting planner could want. And with award winning on-site catering by Conway's Creative Catering, your group can enjoy everything from light hors d'oeuvres to a full gourmet banquet, all with great flare, colorful presentation and outstanding service. It's the perfect place for a small meeting, conference or reunion. Visit [ElCaribe.com](http://ElCaribe.com)

# Perry's White Caps Cottages: Comfy for you and your pet!

The White Caps of Perry's is a step back in time. Located in Daytona Beach directly on the beautiful Atlantic Ocean, The White Caps of Perry's offers both cottages and motel units at an extremely affordable price. The White Caps is the sister property of Perry's Ocean Edge Resort which is located next door. As a

guest of the White Caps, you enjoy all of the amenities of Perry's including 700 feet of oceanfront, two outdoor pools, a heated indoor pool in a 10,000 square foot atrium, fresh homemade donuts and much more. And pet owners are pleased to know that Perry's White Caps offers "Pet Friendly" cottages and guestrooms.

# Kids Love Perry's Kids Beach Suites

We designed our Kids Beach Suites just for the little guys. These oceanfront rooms are spacious, with king size beds and sleeper sofas. Each offers a handy resort kitchen and private balcony. And for the kids, there is a separate room with bunk beds, cable television, internet access, game ports and much more, including room to play and cubbies for their stuff. Kids Beach Suites are a big hit with children and grandchildren. Maybe that's why they are so popular with the parents and grandparents. And, of course, Kids Beach Suites, like all our guestrooms, are non-smoking. With so much to offer, these rooms book up quickly. So, as soon as you know your travel plans, call for rates and availability. The kids will be glad you did.
